

Will Holmes is Founder of WHC, a business management and technology consulting firm serving government agencies, banks, universities and growing organizations in North America, Africa and Asia. Will is Chairman of the Board of the Baltimore City Chamber of Commerce and Advisor to both the Johns Hopkins Carey Business School and the Morgan State University Earl Graves School of Business. Additionally, Will recruits business owners for the Goldman Sachs 10,000 Small Businesses program. Will also develops business accelerators and entrepreneurship curriculum and leads instruction for both the Baltimore Means Business Entrepreneur Growth Program and the JHU Carey Business School Community Consulting Lab. Will has been recognized for his work with entrepreneurs by state Senators, the Governor's Office, the City of Baltimore and numerous national and local organizations. Will was born and raised in Baltimore and is the proud Father of one Son named William.
