A Taste of Arundel Grown, Arundel Ag's signature fundraising event, celebrates local agriculture by showcasing food, beer, and wine primarily grown, raised, or produced in Anne Arundel County.

The event supports local farmers and watermen by raising the visibility of what they produce and encouraging residents and businesses to purchase their products throughout the year.

In addition, the event supports agriculture in Anne Arundel County with all proceeds going directly to our Agricultural Business Improvement Grant (ABIG) Fund as well as the Southern High School chapter of Future Farmers of America (FFA).
